

# CORE COORDINATOR REGIONAL MEETINGS

Please join Standards and Training for Corrections (STC) at one of the Core Coordinator Regional Meetings (CCRM) that will be held regionally.

CCRMs are FREE and will include:

- 4 hours of STC-certified training on multiple subject areas.
- STC updates and announcements.
- Informal roundtable discussion to seek input and information from other core coordinators and STC field representatives.
- All core coordinators are encouraged to bring assigned staff or instructors.

All Core Course Coordinators are strongly encouraged to attend CCRMs. The meetings provide a discussion forum with other core coordinators and are a crucial link for STC with the field for improving the services that STC provides.
